Welcome to an Exciting New School Year!

We hope his message finds you well and filled with excitement as we embark on a brand-new school year!

It is with great pleasure and enthusiasm that we welcome all our children, both returning and new, and their families.

Our staff have been hard at work preparing to inspire and support your children in their educational journey.

- A continued commitment to academic excellence
- A focus on social and emotional development to help our children thrive.
- Exciting activities, trips and opportunities for personal growth
- Strong communication and partnership with parents, working together for your child's success.

We encourage you to stay engaged with our school community, attend parent meetings, join our parent-teacher association and participate in the various school events throughout the year.

Let's make this academic year one filled with memorable experiences, growth and achievement. Together, we can empower our children to reach new heights.

Thank you for entrusting us with your child's education. Here's to a fantastic year ahead!

Warm regards

Catherine Callow
Headteacher.

Welcome to Benji our school therapy dog. He visited the children in assembly today and behaved beautifully. The children are very excited to meet him, but we must remember he is still in training, so if you see him around school, keep your voice quiet and your hands low, so he does not jump up. Thank you.

Attendance

The class with the best attendance this week goes to
Class 8 with 100% attendance.

Well done!

Reception have been busy exploring our provision and learning the routines. They have all responded brilliantly to these and we are very excited for our first full week next week.

The Year 1 children have been amazing this week. They've already learnt so much and developed so much independence coming in first thing. They've been exploring the classrooms and writing about why they are special.

Mobility Scooter

From Monday there will be a mobility scooter accessing the site to drop off a child. Please be mindful when entering the school down the slope, and by the Office and Reception classes. Thank you for your understanding.

DAILY BREAD!

We are appealing to any parents who may work in bakeries or supermarkets to support our school in its ambition to provide all children with some additional breakfast in the morning. Eating breakfast provides energy for the brain and improves learning and we are aiming to be able to offer bread with plant-based butter in every class for those children who would like it as they come into school at the start of the day.

We are asking for regular donations of bread and plant-based butter.
Please see Mrs Parrott in the office if you are able to help!
