

## English

### On the Ning Nang Nong

We will be learning Spike Milligan's famous poem and writing our own about Redruth.

### The Gruff's Guide to Fairy Tale Land

Mr Billy G Gruff has written a guide to Fairy Tale Land. We will be reading this and getting to know the land where everything begins with once upon a time.

### Traditional Tales

We will be reading a selection of traditional tales and The Great Fairy Tale Disaster. We will write our own fairy tales.

### Handwriting

Children will continue to learn about the letter formation families and practise forming capital letters. We will also be learning how to join some letters.

## Maths

### Number Bonds

We have covered number bonds in our maths lessons and will now be learning these off by heart with quick recall.

### Place Value to 50

The children will be learning to understand how numbers to 50 are made up of tens and ones. They will practise counting, representing the numbers and finding one more and one less than each number. We will also cover measures this half term.

# Year 1 – Spring 2

## Once upon a time

### Science (After Easter week 1)

#### Seasonal Change

The children will continue to learn about Spring on our visit to Crenver Grove. They will be looking at the difference between the deciduous and evergreen trees again and look for buds and spring flowers.

#### Plants

We will be learning to identify and name some common garden and wild plants around our school and at Crenver Grove. We will then learn about the main parts of the plant by taking a plant apart. We will learn what each part of the plant does.

### History

#### Redruth Town

We will begin a unit of work on Redruth Town. We will be looking at what Redruth was like in the past and how it became a town.

We will focus on some key features of the town and look at whether they have changed or stayed the same over time.

We will focus on the market, William Murdoch's invention, the clock and the station.

We will learn lots on our trip to the town and to Kresen Kernow.

### Jigsaw PSHE

Healthy Me, Relationships, Being Me in My World

### Art

The children will look at artists' clay work, make coil pots and explore textures in clay. They will also be learning to draw with tone and will be exploring collage.

### PE

Throwing and catching. Applying physical skills. Health and Fitness

## RE

This half term, we will be learning about what Christians believe God is like. The children will learn to identify what a parable is and tell the story of the Lost Son from the Bible simply.

They will learn to give clear, simple accounts of what the story means to Christians.

### Computing

We will be learning about exploring mazes. The children will learn to use the arrow keys to explore progressively more challenging mazes on the ipads.

They will also learn to program a character using algorithms to get through the maze.
