Newsletter–17th November 2023

We care, we help, we succeed. Ni a with, Ni a weres, Ni a sewen.

This week in the Nursery we have been celebrating World Nursery Rhyme Week. We have been singing, playing instruments and recreating the rhymes through role play. We were happy to have some parents come in to the sing and sign our rhymes with us.

It was World Nursery Rhyme week this week so the children went on their first Trewirgie outing to our local library. The children had the opportunity to sing some nursery rhymes together before having time to look at the books. They enjoyed choosing books to borrow and take back to school. We hope to be regular visitors to the library this year.

They have also been listening to nursery rhymes with a maths theme during our maths lessons and using our tens frames and counters alongside the songs to work out how many are left and whether they had more or fewer each time.

The Year 1 children had great fun this afternoon at the pop up toy museum. Meur ras to all our visitors - Mike from the Moseley Museum with his trains, Vicky from the Bear.In.Mind Teddy Bear Museum and Annie from the Royal Cornwall Museum as well as a selection of Miss Maun's mum's old toys. The children learnt about the materials the toys were made from and we hope this will really inspire their story writing next week.

L.O. To explore our new story.

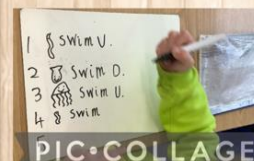

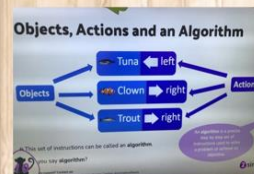

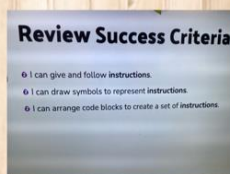

The year 2 children had a wonderful day immersing them in to their new text "The Elves and the Shoemaker". They were visited by magical kind elves who set them a challenge of making a pair of shoes.

L.O. To give and follow instructions using code blocks.

This week in computing, we have learning about coding. We learnt how to be programmers and that a set of instructions can create an algorithm. It was fun planning our algorithm's pictorially and then using purple mash to create them in our own games.

This week in Geevor, the children have had a fantastic time using the boom-whackers in their music sessions. They have been copying the rhythms and movements on the screen and been so enthusiastic about their learning.

If anyone has any spare Pudsey clothes, or Pudsey clothes which are too small, we would be grateful for any donations of these. This way we can ensure all children are able to enjoy the "Spotacular" day

Cornish Word of the Week

As part of the Go Cornish Scheme, we are teaching everyone some Cornish words and phrases. Each week we will add a new word or phrase to the newsletter which you may like to use at home.
