Head's Headlines

Here are the take aways from this week at Trewirgie Infants' School.

Welcome back to all our children - my you've grown!!!!

We are looking forward to the summer term, as always it will be a busy one!

The outstanding success of the week has been providing all children with toast in the morning - the Daily Bread initiative.

It has been a challenge to toast and butter 140 slices of bread each day, but the staff team have rallied round to ensure that this happens. There has been a lot of positive feedback from the children and the smell of freshly toasted bread puts a smile on everyone's faces!

As you can see the amazing mural has now been completed. Thank you to Emma McGee for all her hard work!

2024
CORNISH LANGUAGE WEEKEND
APRIL 12-14
LYS KERNOW, TRURO

On Sunday the sing and sign choir were invited to perform as part of the showcase at the end of the Speak Cornish Weekend at County Hall in Truro.

Thanks to everyone who gave up their time to be there and well done to our choir members who shone brightly in front of the room full of Cornish speakers.

The children sang three songs:

Mytlin Da (Good Morning)

Deg Bys (Ten fingers)

Penn Bloodh Lowen (Happy Birthday)

The children's performance was followed by a presentation by author Alisdair Hoswell.

It was great for the children to engage with the props and show what they remembered of the story from his visit to school.

We are really excited to have Alisdair working with our school as a governor.

This week in school we started our new morning routine of 'daily bread' (or toast to be precise). Every morning we will be offering all children across the school a slice of toast each to start the day. The children all enjoyed it.

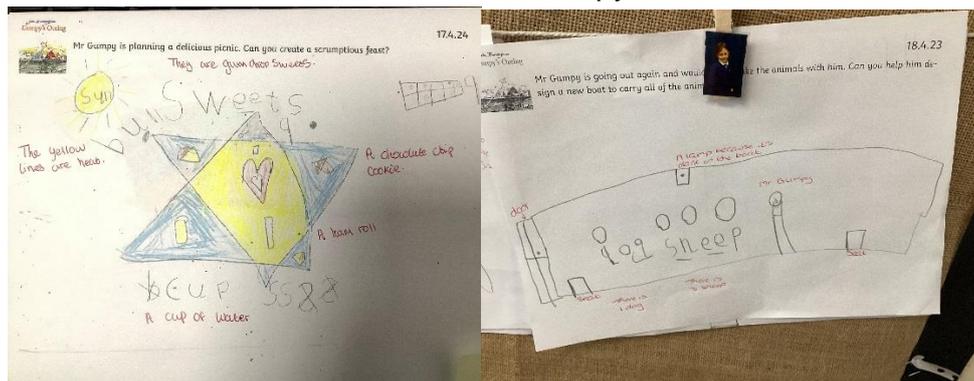

A group of children in year 1 visited the Redruth Library today for a very special workshop. They joined other schools from the Redruth area to meet the author Craig Barr-Green.

Craig talked to the children about story writing and read one of his stories, 'Gina Kaminski Saves the Wolf'. The story was extremely engaging with the main character, Gina, setting out to fix the 'BIG' mistakes in the traditional tale Little Red Riding Hood!

This week in the Nursery we have been sharing our holiday news and welcoming our new children into the nursery. We have enjoyed being outside and prepping our garden for planting some wildflower seeds.

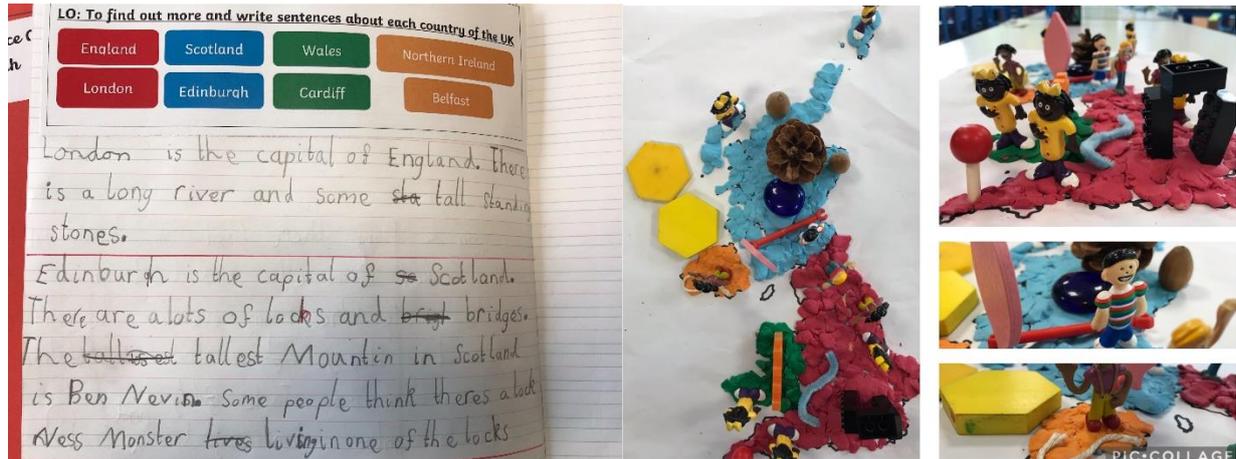

This week in Reception we have started the Great Outdoors topic. The children have been sharing photographs of themselves out and about during the Easter break. They have really enjoyed seeing their friends in different locations and doing some exciting things. In Maths the children have been practising their subitising with seeds and are getting really good at estimating how many they can see. In drawing club the children have created fantastic designs for their own tasty picnics and boats for Mr Gumpy.

In Geevor this week we have been enjoying being back with our friends and making music with a selection of instruments.

This week in Year 1 the children have been learning about the countries of the UK and their human and physical features. Look at their super 3D maps! Can you spot Stonehenge, the Giant's Causeway and the Forth Road Bridge? Can you see the river Severn and a Welsh castle?

Attendance
