Cornish Word of the Week

As part of the Go Cornish Scheme, we are teaching everyone some Cornish words and phrases. Each week we will add a new word or phrase to the newsletter which you may like to use at home.

This week's word is – Good - Da

Makaton sign of the week

Good

This week in the Nursery we have been enjoying exploring floating, sinking and rolling with our apples. We have also been practising our chopping skills to make some stewed apples. There was even a birthday party held in the kitchen with play dough cakes. The children have also been introduced to the sticking board where a range of resources can get stuck using our white glue.

Reception have had such an exciting week this week!

The Little Red Hen left them a note and a map to help them to find ingredients to make their own bread. They learnt that yeast helps the bread to rise. Later in the week she asked us to set up an experiment to see how much yeast, sugar and water would be needed to blow up a balloon! They found out that by putting three spoons of yeast, sugar and warm water into a bottle the balloon would inflate the most. It was so exciting to see the balloons inflating as we watched them throughout the afternoon! We have also been talking about our homes and what they are like. We have been comparing them and also looking at homes animals have to keep them safe.

This week in Year 1 the children have been learning about their place in the world in Geography. They started by learning to draw objects from above and how this is called an aerial or bird's eye view. Then they drew some signpost maps of themselves in the classroom and some people did their home too. Then they learnt how to draw a key and make a map of the classroom. Here are some examples of the children's hard work. Go Y1 Geographers! Also look at this amazing fox that Marley made after we read the story of the Fox and the Star.

Harley and Riley recently joined in with a local bike shop and an organisation called Trash Free Trails. They both walked up to Carn Brea through the trails that bikes may use, picking up litter as they went. The aim of the organisation is to promote keeping trails clean by locals volunteering to help with the litter picks. They then continued their amazing work by picking rubbish up on the way to school. We are so proud of the work Harley and Riley have done to help clean up our environment. Well done boys!
