Makaton sign of the week

The Reception children had a very exciting week! They made gingerbread men by weighing and measuring the ingredients and making sure that there was a biscuit for each of them. Unfortunately, whilst the children were having lunch the gingerbread men disappeared!! The children saw some camera footage of them being stolen! In order to find them the children had to create a missing poster. Luckily they were found by the end of the day so the children were able to taste their delicious gingerbread men! Since then the children have been finding out that there is a cunning gingerbread man who is playing tricks on them and they must save the day by solving the clues.

This week in Year 1, the children have been learning to add a single digit number onto a two digit number in Maths. In English they have been learning about instructions. They have learnt the different parts of an instruction text and also starting learning to find the bossy verbs.

Do you have any nice outfits that do not fit your children anymore?

In Reception we are on the lookout for any real world nice clothes that we could use in our Role-Play area. If you have some items that you would be able to donate please let Mrs Parrott or one of the Reception team know.

These items might be: - Shirts, Jackets, Dresses (Not Disney), Hats, Shoes or Trousers.
