Newsletter—10th November 2023

We care, we help, we succeed. Ni a with, Ni a weres, Ni a sewen.

This week in the Nursery we have been reading 'The Enormous Turnip' and using real turnips to accompany the story. The children have been using the word 'enormous' to describe other things in the nursery. They found an enormous pumpkin and an enormous puddle in our garden! We have also been watching the Cbeebies poppy animation and painting poppies for Remembrance.

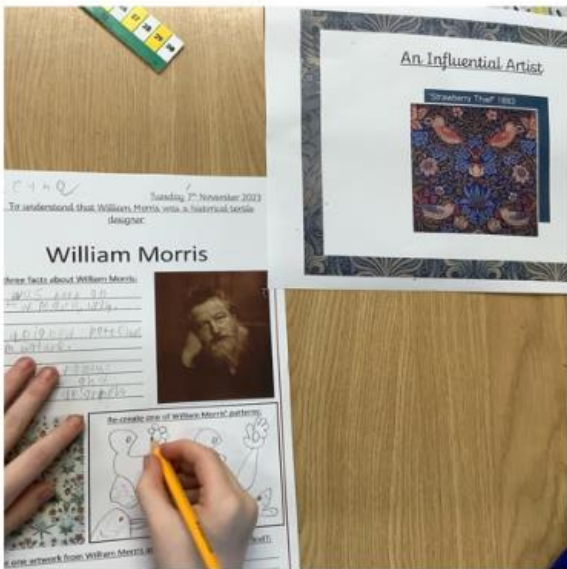

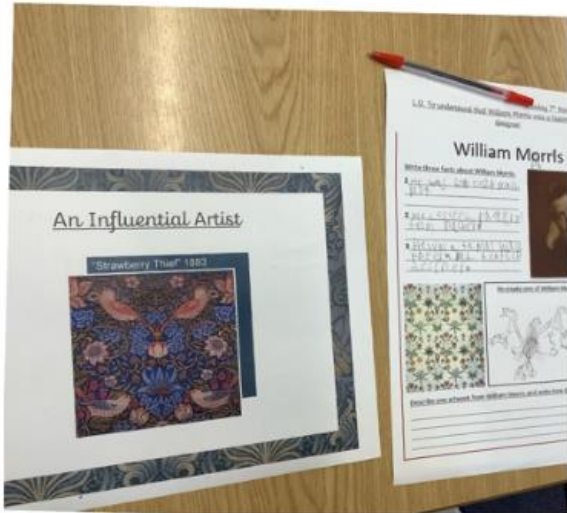

The children in reception have enjoyed a week learning about special times and celebrations. They started the week talking about bonfire night and learning a firework poem. They also learned about Diwali, the Hindu festival of light, which is celebrated at the weekend. They learned about how Hindu families prepare and celebrate and then they helped to prepare our own Diwali celebration. The children helped to make treats for our Diwali party. The children tried the coconut sweets and the mango lassi drink and watched a puppet show of the story of Rama and Sita. They also learned a dance together to finish off the celebrations. They finished the week by finding out about Remembrance Day, why we wear poppies and who we are remembering at this time. They worked collaboratively in their classes to create a piece of artwork which will take pride of place on the school grounds.

In Year 1 this week the children have started reading the book "Lost in the Toy Museum". Today they played hide and seek with their own class toys and made a post it note trail like "Bunting the cat" has to follow in the book. They've also been thinking about "Bunting's" character.

The children have also been using Purple Mash on the iPads. They've made their own avatars, coloured in pictures using paint tools and drawn their own pictures.

If you have any old toys from the past and would like to come and show them to our Year 1 children, we are having a pop up toy museum next Wednesday afternoon. Contact Miss Maun if you'd like to join us from 1.30pm

This week in year 2, we have been learning about patterns and famous pattern designers. We learnt about William Morris who was a famous textile designer who designed patterns inspired from nature during the Victorian era.

PIC•COLLAGE

This week in Geevor, we have had a fantastic time in our music sessions and been taking turns to play the instruments in time with the beat of the song.

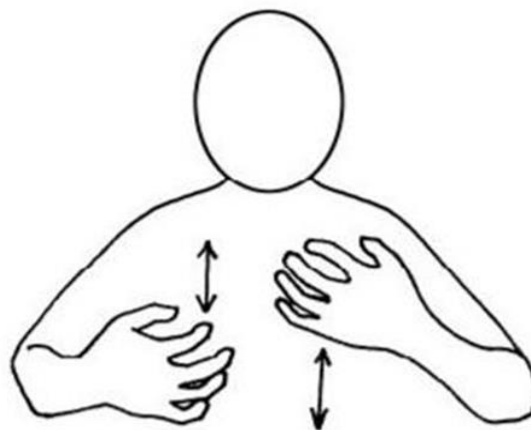

Cornish Word of the Week

As part of the Go Cornish Scheme, we are teaching everyone some Cornish words and phrases. Each week we will add a new word or phrase to the newsletter which you may like to use at home.
