**29<sup>th</sup> September 2023**

This week in the Nursery we have been enjoying playing with gloop and picking some of our apples off the tree. We have been learning about the different parts of the apple and different ways of cutting them up. In our garden we enjoyed a windy day with our homemade bag kites as well as observing the life cycle of ladybirds as we have an abundance of them at the moment.

It has been another week of 'firsts' for the reception children. They have participated in their first Drawing Club sessions based on the story Not Now Bernard by David McKee. They enjoyed creating pictures of the monster and the delicious food he might like to eat. They also took part in their first Real PE session in the hall. They learnt to follow instructions, negotiate space safely and move their bodies in different ways. They are also enjoying playing games together, getting to know children from different classes and learning to take turns in small groups.

This week in Year 1 we have been learning about the weather and the children have made their own weather wheels. They have also enjoyed sorting and counting in maths. In RE, we made thank you cards after learning how Christians say Thank you at Harvest time. We also had fun reading some of the new classroom books in our reading for pleasure sessions.

Geedor enjoyed socializing while eating their lunch together.

Year 2 have been learning how to use tuned percussion to accompany our 'Hands, feet and heart' song. Great tempo and rhythm already and only our first week! Great job everyone.

## Cornish Word of the Week

As part of the Go Cornish Scheme, we are teaching everyone some Cornish words and phrases. Each week we will add a new word or phrase to the newsletter which you may like to use at home.

This week's word is: **Sorry - Diharesow**

## Makaton sign of the week

Sorry.

## Attendance

The class with the best attendance this week goes to

**Class 4.**

**Well done!**

## **Learners & Superstars!**

	Learner	Superstar
Class 1 – King Edward	Alfie for his amazing effort during his sound lessons. You have tried so hard to remember and write each sound. Well done.	Nella for being super helpful around the classroom and having a positive attitude towards everything we do.
Class 2 – Wheal Uny	LJ for impressing us with how quickly she has been able to make words on her magnet board during Read Write Inc. She listens carefully and has shown us that she has a fantastic understanding of phonics already. Well done LJ.	Luna for being such an enthusiastic learner and a kind friend to everyone. She has a very positive attitude for everything she does. Thank you Luna!
Class 3 – Robinson	Enzo is our learner of the week for applying his new RWI knowledge whilst practising his letters and using the sound magnets. Well done Enzo!	Jowan has been our superstar this week looking after our role play area and sweeping up any pasta we have been playing with. Thank you Jowan!
Class 4 – Wheal Basset	Gunner has shown pride and care in his learning this week. He created a fantastic weather wheel in English and represented numbers to ten in his book beautifully in Maths. Well done Gunner!	Harry has been a star this week doing super sitting and wonderful walking around school at all times. Thank you Harry and keep it up!
Class 5 – Grenville	Hugo L for working really hard on his writing and focus on the carpet.	Charlie for his legendary lining up and being a super role model for his classmates.
Class 6 – Pednandrea	Minnie for taking great care with her letters when writing on the handwriting lines in her book.	Odin for answering questions on the carpet, always paying attention and being ready with an answer.
Class 7 – Carn Brea	Charles for his super spectacular science work this week.	Kai for his fabulous attitude and effort in school.
Class 8 – Dolcoath	Jax has showed real determination and resilience in maths this week, well done Jax!	Tiana comes in with a huge smile on her face every day and is such a positive presence in our class.
Class 9 – South Crofty	Olivia M for completing her maths work and not giving up when making mistakes. Well done Olivia!	Jacob B for showing impeccable behaviour, listening to others and always being ready to learn.
Class 10 Geavor	Harley Brown for his fantastic learning this week. Harley has been a super star in all of his lessons - well done Harley!	

## 2-Year-Old Provision

Thank you to all our parents and carers who responded to our survey regarding provision for 2-year-old children.

We had 121 responses of which 59 indicated that they would be interested in this provision if it were available. The school is now looking at the feasibility of offering places to 2 year olds, and will keep you informed regarding our progress.

## Arriving on site

If your child is attending Breakfast Club, we ask that you accompany your child to the Extended Provision door and hand them over to the staff on duty. This is to ensure your child's safety while walking through the staff car park. Please do not arrive on site until just before 7.45am

If you are not using the Breakfast Club facilities, we ask that you do not arrive on site until 8.30am. This is the cut off time for staff arriving in the car park. This will ensure all children can enter the site safely.

Bikes and scooters should be walked to the bike and scooter pods, and not ridden on site.

Children should wait with their parent or carer until the staff open the doors. Please do not allow your child to run around the site, or wild tribe area while waiting.

Thank you for your understanding in keeping our children safe.
